## Advertisers Information and Rate Sheet

The Rental Owners Association of Douglas County, ROADC, is one of a number of local associations throughout the state that make up the Oregon Rental Housing Association. Our local association consists of owners and managers of rental property representing over 2500 rental units in Douglas County. ROADC is dedicated to the education of rental property owners, managers, and others who may be interested in gaining knowledge of the rental property industry. We hold educational meetings each month from September through May, provide educational seminars and publish a newsletter, "Views & Reviews", ten times a year for the purpose of providing additional educational material and information concerning the organization.

ROADC offers advertising to persons or businesses that have services that may be of interest to our members. We offer 3 line, business card, quarter page, half page and full-page ads.
